

PROFILE

Kumar Textile Industries was established in 1936 which operates in the international market under its registered brand “Crown”.

Crown is one of the leading brands in both local as well as global market.

As a leading brand, Crown has developed a network of strong partners around the globe which enables them to offer competitive prices to their customers.

We have more than 82 years of experience in textile screen printing industry and in order to fulfil your requirements we have developed best in class techniques and an R&D team who strives to provide innovative products and hence gives a strong support structure to our manufacturing team.

All our products are approved by renowned certification authorities such as :

TECHNICAL

RUBBER PASTE

TECHNICAL DATA

Type of Fabric	Cotton / PolyCot
Screen	110 - 160 Mesh
Squeegee	55-57 Shore U Type
Curing	160 C / 1.5 Minutes
Cleaning of Screen	Water and Sponge

HIGH DENSITY

TECHNICAL DATA

Type of Fabric	100 % Cotton
Screen	80 - 110 Mesh
Squeegee	57-62 Shore U Type
Curing	160 C / 2 Minutes
Cleaning of Screen	Water and Sponge

BINDER ZR (GLITTER)

TECHNICAL DATA

Type of Fabric	Cotton / PolyCot
Screen	40 - 60 Mesh
Squeegee	67 Shore U Type
Curing	160 C / 1.5 Minutes
Cleaning of Screen	Water and Sponge

BINDERS

TECHNICAL DATA

Type of Fabric	Cotton / PolyCot
Screen	110 - 160 Mesh
Squeegee	55-57 Shore U Type
Curing	160 C / 1.5 Minutes
Cleaning of Screen	Water and Sponge

DISCHARGE

TECHNICAL DATA

Type of Fabric	100% Dischargeable Cotton
Screen	156 - 180 Mesh
Squeegee	57 - 62 Shore U Type
Curing	160 C / 3 Minutes
Screen Cleaning	Water and Sponge

PLASTISOL INKS

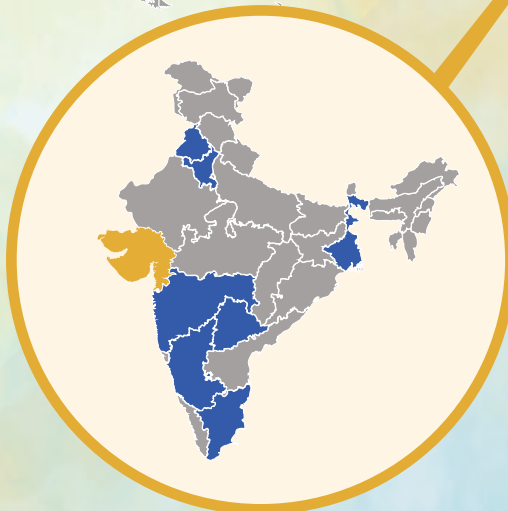

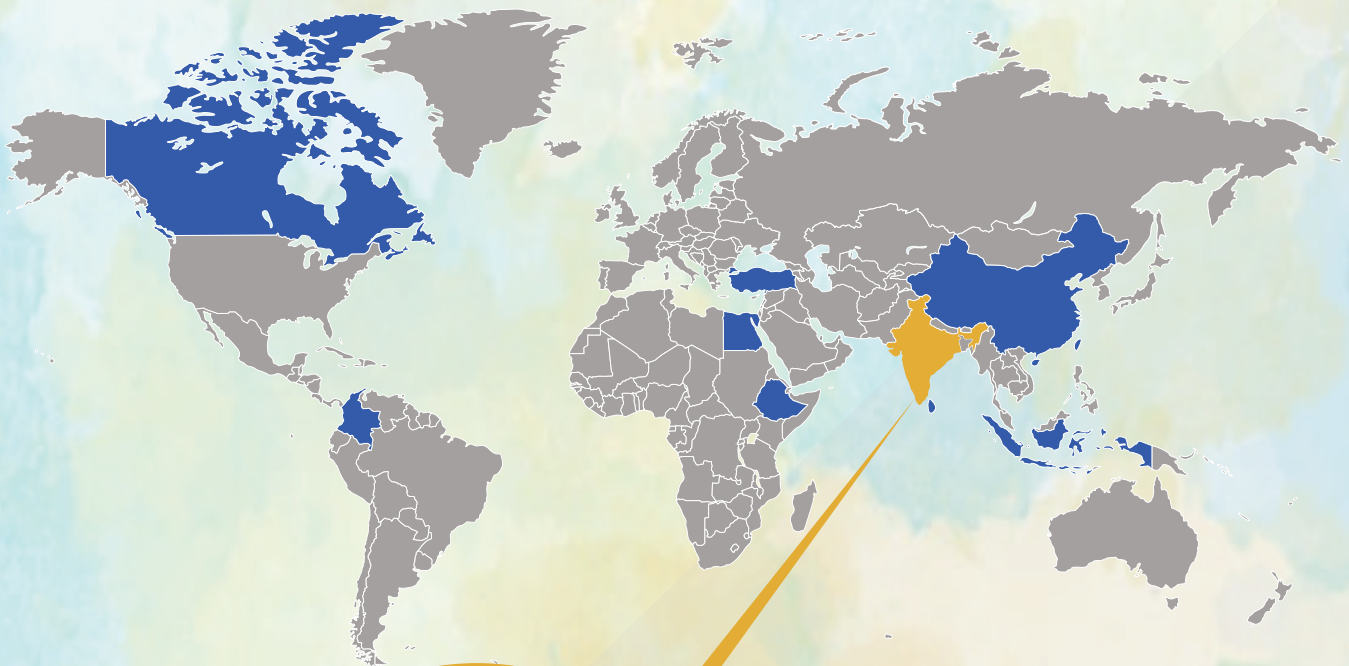

TECHNICAL DATA

Type of Fabric	Cotton / PolyCot
Screen	110 - 160 Mesh
Squeegee	55-57 Shore U Type
Curing	160 C / 1.5 Minutes
Cleaning of Screen	Water and Sponge

OUR REACH

CROWN Operates in over 20 Countries and 4 Continents all over the world. By maintaining the quality standards and on time delivery, we are successfully penetrating into the global market by each passing day. We are increasing our brand awareness continuously and can proudly acclaim that we are slowly inching towards our aim to become a global leader in textile screen printing inks industry with out best in class high quality product range.
