About US

There is no substitute for hard work

- In 1980, the group marked it's arrival in the textile industry and begun it's operations by trading in greige fabrics.
- After a decade and half of satisfying every customer, maintaining relationships and gaining expertise, **Mr. Prem Raj Rathi** established Raj Cottons Private Limited in 1994, setting up it's own manufacturing facilities with **Quality, Ambition and Optimism**.
- In 2000, **Mr. Jai Raj Rathi**, further expanded the group in manufacturing of open end yarn. After a decade of experience and establishing itself solely as a trading enterprise, we now promote yarn in **Open-End** in count Ne2 to Ne30 from the leading manufacturers in India.
- Our engagement with our clients and serving them with utmost sincerity have always made each of them feel as our top priority.
